SUMMARY

I am a **Microsoft Certified** Power BI developer with over 8 **years** of experience focusing on Power BI, Power Automate, Azure DevOps, and Power Apps. I specialize in creating impactful data visualizations and implementing efficient workflows. My strong foundation in Microsoft technologies enables me to enhance business intelligence solutions and streamline processes, making a significant impact in any data-driven environment.

EXPERIENCE

 **Senior Consultant**
Fractal
📅 01/2025 Present 📍 Mumbai, India

- **Led end-to-end BI solutions** for client, from requirement gathering to dashboard delivery, leveraging Power BI's full suite of tools including Power Query, DAX, and Paginated Reports.
- Automated Excel-based ETL processes using Power Automate Desktop.
- Delivered **performance tuning and optimization** of complex DAX measures and queries to reduce report load times by up to 50%. Played a key role in **BI strategy and roadmap development**, helping clients adopt modern analytics solutions.

 **Application Development Team Lead**
Accenture
📅 12/2023 - 12/2024 📍 Mumbai

- Collaborated with clients to gather requirements and provide estimations
- Led a team of 20 and developed approximately 80 Power BI reports
- Created various paginated reports based on client specifications
- Worked on various migration projects and got cross-trained in multiple visualization tools, including QlikView, Tableau, MicroStrategy, and SAP BO
- Worked with various database servers, such as Snowflake, IBM DB2, SQL Server, and Dynamics CRM

 **Application Development Senior Analyst**
Accenture
📅 12/2021 - 11/2023 📍 Mumbai

- Provided consultation to other projects, helping resolve issues and offering accurate estimations
- Completed development within one month, despite the original timeline of six months.
- Managed and delivered **two additional projects** concurrently during the production phase

KEY ACHIEVEMENTS

-  **Report Development Lead**
Led team to develop 80 Power BI reports, enhancing data insight by 45%.
-  **Timeline Optimization**
Cut project timeline from six months to one month, boosting efficiency.
-  **Project Management Excellence**
Managed production phase of two projects simultaneously, ensuring 100% deadline adherence.
-  **E-commerce Solution Delivery**
Implemented 16 e-commerce websites, improving business uptime by 30%.
